OUR MISSION

To build an organization which is the premier Caribbean American entity in Brevard County by promoting social, educational, cultural, and sporting activities within the community.

OUR GOAL

One of the ways to achieve these goals is to build a Multicultural Development Center that can serve our community. It is with this goal in mind that we will be hosting our Inaugural Islands of the Caribbean Gala – One Love.

We are expecting approximately 350 patrons to be in attendance. It will be an evening of elegance with delicious food and amazing music from the Caribbean. The funds raised from this event will go directly toward the building of the Brevard Multicultural Development Center to be built on Emerson Road in North West Palm Bay.

Our goal is to raise \$40,000 from this event and we are hoping that you could help us reach that goal by becoming one of our corporate sponsors.

COMMUNITY INVOLVEMENT

- We are in partnership with Palm Bay and Turner Elementary Schools where our members provide mentorships, gifts, school reading tutors and assist in any other areas where we are needed
- We support the Children Hunger Project, where we provide supplies on a monthly basis
- We assist Seniors who are in need
- We have activities that help our young people with personal development
- We host the Annual Palm Bay Caribbean Food and Music Festival
- The Palm Bay Caribbean Film Festival
